Welcome to the PIZZA TIME THEATRE where I guarantee, **the fun doesn't stop when we bring on the food!**

In fact, it's just the beginning. There are **free** tokens given with food and other specials. These tokens work along with quarters in the advanced computer and video games that have been designed for our unique game rooms and "Pizza Game Booths."

Excitement continues throughout the meal via original Computer Animation which is the most advanced of its kind in any restaurant establishment in the world. Here, our PIZZA TIME PLAYERS entertain you in the main dining room with original songs, skits, jokes, and other interplay. Fun for the entire family.

The **most fun** however is associated with our delicious Special Recipe Pizza and other food items that are of the highest quality available. We have also added menu items aimed at maximizing nutrition while keeping calories to a minimum. All this in a relaxing, casual atmosphere where kids of all ages (1-100) are welcome.
